REYNOLDS'S POLITICAL MAP OF THE UNITED STATES—Size 28 by 34 inches, showing at a since the whole country, from the Atlantic to the Pacifix Cost., colored so as to designate the Free and Slave States; also, the vest territory which lies open to Freedom or Slavery by the repeal of the Missouri Comptomise. It also presents a vest amount of statistical matter, showing the advantages of Freedom over Slavery, together with Portraits of Fremont and Dayton.

tics taken from the census of 1850, which wise men should ponder. We have seen nothing which promises more good. Those
who are desirous of promoting an Anti-Slavey sport based upon
sound information and reflection, should see that these Maps are
cattered all over the country. They are issued in large form,
say four feet square, mounted, for \$1.50, retail. Every Reputiran Club in the land should not only have one of these larger
Maps in their own room, but should make it a part of their budmess to procure and hang them in places of public resort, so that
he that runs, or walts, may read. The Map is also issued in a
pocket form—size 25 by 34 inches—much cheaper, vir. in sheets
25 cents, in cover 55 cents. Let every man who is able order
one, and when one is ordered let there be always two, that one
may be given away and the other Rept.

"It is a capital thing to nall up in every counting house,

date of the contract. Interest will be charged at only three per cent fer

date of the contract.

INTEREST WILL BE CHARGED AT ONLY THREE PER CENT PER ANNUM.

As a security to the performance of the contract, the first two years' interest sount be paid in advance, and it must be understood that at least one-tenth of the land purchased shall yearly be brought under cultivation. Longer eredits, at six per cent per annum, may be negotiated by special application. Twenty per cent from the crecit price will be described for each. The Company's construction bonds will be received as cash. Ready frame of arm Buildings, which can be set up in a few days, can be obtained from responsible persons.

They will be 12 feet by 20 feet, divided into one living and three becrooms, and will cost complete, set up on ground chosen any where along the road, \$150 in each, exclusive of fransportation. Larger buildings may be contracted for at proportionate rates. The Company will forward all the maternals for such buildings cover their road promptly.

Special arrangements with dealers can be made to supply those purchasing the Company's lands with fencing maternals, and outlit of provisions in any quantity, at the believed that the price, long credit, and low rate of interest charged for these lands, will enable a man with a few hundred deliars in cash and ordinary industry to make himself independent before all the purchase money becomes due. In the mean time, the raind settlement of the country will probably have forcessed their value four or five fold. When required, an experienced person will accompany applicants to give information and aid in selecting lands.

Circulars, containing numerous instances of successful facenting state.

CHANGE —The Senator Mack place at Ithaca; 75 acres; Buildings, and everything in fine order; possesses every possible venery of fruit, occuvenience, and luxury; railroad, the town, and Cayyas Lake adjoining. Will exchange for Real Estate, Stocks, Merchandise or other good property. Real Estate men call.

A J. WORKS, No. 11 Park Bank Brilding, Beckmar. et., N. Y.

A SPLENDID reserved PIANO for \$160; A cost \$350. A first-class instrument, of excellent tone and fining, nearly new, will be sold at the above low price. Apply at No. 431 Broome-st, from 9 to 11, or from 3 to 5 o'clock.

a few:

"Reynolds's Political May of the United States should be put
in every family in the land. It is a silent argument that few
can resist, uniese they are willfully set against all argument.
The Free States are colored red, the Slave States black, and the
Territories green, so that, at a glance, every one may see tha
relative proportions of territory on this continent which are republican or aristocratic. Appended are some tables and statistics taken from the centrus of 1850, which wise men should posder. We have seen nothing which promises more good. Those
who are destroys of the mothers at the latest production of the second o

may be given away and the other kept.

"It is a capital thing to nall up in every counting house, workshop, or farmer's barn in the land." [Harrion Courant. It is a very interesting and variasise map, and should be possessed by every lamily in the country."

It is the best political document of the secon, and every Fremont Club-yea, every voter—ought to have one as a constant witness to the magnitude of the crime of the Buchaneers." [Vermont Watchman and State Journal. "This Map should be in the hands of every voter, as it gives more political information for the moniey expended (25 cents) than any document we know of." [Herald, Mansfield, Ohio. "It should be in the hands of all who wish to be posted up for campaigns, and displayed everywhere before the people." [Poughkeepne Eagle." It contains a number of valuable statistical tables, useful to all parties."

"This comprehensive sheet includes a comparison of the principal stathstine of the Free and Slave States. Our political condition will be better explained thus than in a dozen speeches."

"It is a Map suggesting much thought, and is worthy of the attention and study of every man, of no matter what political faith or latitude of residence."

"The most excellent Chart for reference during the coming campaign, that we have seen or heard o..." It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in a conspicuous manner, "It presents the Compromise line in

Independent Daily Journal, Ind.

"The most excellent Chart for reference during the coming campaign, that we have seen or beard of.

"It presents the Compromise line in a compicious manner, and contains a vast amount of statistical matter that every man in these times should have a knowledge of." [Onesia Sachem "This work to men who have not time to waste in poring over dull statistics, is indepensable and should be possessed by every Freeman.

"A bandomely-executed Map, designed for the mast exceptionable as citional purposes—the of arraying one portion of our common country against the other. We should think that it would exert the most bitter and intense is distributed as the South, from the small figure which that section cuts on this Map."

[Lawrence Sentine]—a Buchanan paper.

"This is a very well executed Geographical Map of the entire United States and Ferritones, with the Frenteries green, and is designed by the Publisher to be used in the Pointial Campaign. The margh contains a very large amount of statistical matter, and very accurate likenesses of Fremout and Dayton."

Those interested in comparing the positions, the exteast and importance of the North and South, in reach to that much mosted question of Slavery, will find this a useful map of reference. Students in plenty, no doubt, it will have on both sites Mason & Diron's lime, and each party will draw its own conclusions."

50,000 copies of Reynolds's Folifical Map of the United States scattered inrough Pennsylvania would secure the State to Fremout and Dayton." [A Fremout man who is sending hundreds of them all over the land at his own expense.]

"To the political student, who desires to familiance himself with the comparative statistics of the Free and Slave S are, so having a bearing upon the great questions now at issue, we can recommend rothing better."

This is an intermous map, accompanied by a mass of statistics from the last census of the United States of them all over the land at his own expense.]

"To the political student, who desire
